Keep on going!

Today we are thinking about Paul again. Paul was sent by God to tell lots of people about Jesus. Sometimes things went wrong for Paul on his journeys but he didn't give up. He kept going and trusting God to help him on his way! Read the story of Paul's Shipwreck which is found in Acts 27 and 28 in the Bible. You can also watch the story [here on YouTube](#).

Talk about

Are there things that you find difficult - maybe sometimes you find it difficult to follow Jesus and do the things that you know he wants you to do. Talk about these together and pray for each other for God to help you keep going.

Make

Pretend

Pretend that you are going to go on a journey—think about where you would really like to go. Will you go to the beach, the shops, to Granny and Grandpa's or just to visit a friend at their house?

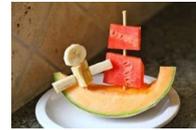

Pack a bag to take with you with all the things that you need for the journey.

How will you get there? You could pretend to be on a bus or a train. Maybe some things happen on the way to make the journey difficult—keep on going until you get there!

A special boat snack to remind you of today's story!

Can you find a way of making a boat shaped sandwich or a fruit boat! Look at the pictures below

Pray

Dear Lord Jesus,

Help us to keep choosing to follow you and put your first.

Amen

You could have fun singing along to [We are in the Army of the Lord by Ishmael](#). Join in the marching and lying down and remember that God gives us strength to follow him!

Play

See how many different ways you can get from one side of the room to the other!

Can you hop, jump, skip? Are there ways you can move without using your feet?

No matter what we can keep moving with Jesus!
