### Follow Good Examples

Today we are thinking about following the examples of those who are following God! When we read stories of God's people in the Bible, we can think about how to follow their example. One of my favourite stories is the story of Abraham who chose to follow God, even when it was difficult. You can watch some of Abraham's story here on [YouTube](#).

### Talk about

Who helps you to follow God?

What things do they do that you can copy?

### Make

### Pretend

Act out some of your favourite Bible stories. As you have fun pretending to be your favourite character, think about the things that they help you to learn about how to follow God. Is their example one to copy or one to avoid?

### A Follow the Example Dial

Use a paper plate (or cut a circle from a cereal box). Fold the plate in half and then half again. Open up the plate. You should now have 4 segments. Read Bible stories about 4 different Bible characters this week. After each story, draw something that you have learnt from that character and want to copy into a segment. Pray and ask God to help you follow their example. When you have finished your plate, hang it up to remind you!

### Pray

Dear Jesus,

Help me to know who is a good example to follow. Help me to follow them and to learn from them.

Help me to be a good example to my friends and family.

Amen

### Play

Have a go at playing follow my leader with your family. Take turns to lead and change what you are doing regularly - can you catch anyone out or are they all really good at following. You could try playing this on a video call—why not see if you can get in touch with some friends from Fireflies and try this together! You could do actions with your hands, pull funny faces or even try out some dance moves!
