

# WEEK 8 // BEGINNING SUNDAY 7 MARCH

**KEEP PRESSING ON!**  
**PHILIPPIANS 4:2-23**

## FORWARD IN FAITH

As Paul comes to the end of his letter, he is determined that the Philippian Christians keep going and continue to grow in their faith. He briefly lists several encouragements and instructions that we can learn from.

He encourages the church to stay united (2-3), rejoice and not to be anxious (4-5), don't give in to fear, but trust God (6-7), focus on the good and God's blessing (8-9), be practical in your support of others (10,14-19) and to be content even in challenge (10-23).

### Questions for your group:

Of the instructions that Paul gives in these verses, which encourages you most?

Which challenges you most?

What are you thankful for?

Do you have personal testimonies of God providing for your needs?
